YOUR RIGHTS:

You have the following rights regarding Health Information we have about you:

Right to Inspect and Copy. You have a right to inspect and copy Health Information that may be used to make decisions about your care or payment for your care. This includes medical and billing records, other than psychotherapy notes. To inspect and copy this Health Information, you must make your request, in writing, to Donna Bennett, the Iowa Radiology HIPPA Compliance Officer. We have up to 30 days to make your Protected Health Information available to you and we may charge you a reasonable fee for the costs of copying, mailing or other supplies associated with your request. We may deny your request in certain limited circumstances. If we do deny your request, you have the right to have the denial reviewed by a licensed healthcare professional who was not directly involved in the denial of your request, and we will comply with the outcome of the review.

Right to an Electronic Copy of Electronic Medical Records. If your Protected Health Information is maintained in an electronic format (known as an electronic medical record or an electronic health record), you have the right to request that an electronic copy of your record be given to you or transmitted to another individual or entity. We will make reasonable efforts to provide access to your Protected Health Information in the form or format you request, if it is readily producible in such form or format. If the Protected Health Information is not readily producible in the form or format you request your record will be provided in either our standard electronic format or if you do not want this form or format, a readable hard copy form. We may charge you a reasonable, cost-based fee for the labor associated with transmitting the electronic medical record.

Right to Get Notice of a Breach. You have the right to be notified upon a breach of any of your unsecured Protected Health Information.

Right to Amend. If you feel that Health Information we have is incorrect or incomplete, you may ask us to amend the information.
